New Sunriver Music Festival Wine and Gift Items Now Available for Purchase

Looking for a gift for a wedding, birthday, Valentine's Day or a house warming party? The Sunriver Music Festival is now offering an expanded selection of Festival gift items.

In addition to the popular Sunriver Music Festival annual poster and notecards, Festival labeled travel mugs, wine glasses and a special selection of red and white wines will now be available for purchase.

"Our new office space in the Village Mall is near a number of retail shops," explains Bergen Bull, Festival Board of Trustees Vice President. "Our foot traffic has increased dramatically and a number of folks are window shopping and looking for gift items. Our Festival poster sales have always been very strong, so we expanded our gift items this summer and they are selling just as well."

Bergen Bull adds, "Our Festival concerts and other events typically include great music and good wine, so I had this idea to make good wine available for sale with our Festival logo on the label. After a lot of planning and paperwork, we now have the wine legally licensed and ready for sale."

The wines for sale will include selections from Eola Hills Winery and Duck Pond Cellars. Wines may be purchased individually or by the case or paired in a gift box with wine glasses.

The Eola Hills wine choices include two fine selections from the La Creole Reserve selection and the Duck Pond choices include Pinot Gris and a new red wine from Duck Pond that is a blend of Cabernet Sauvignon, Merlot and Syrah. The Red Blend is not available
